Synopsis: Strange deaths are chasing among basejumpers. One after another, two sportsmen (Anna and Paul) are died. It seemed that the simple coincidence or fate are obsessed them. However, the instructor of BJ club, Andrey (the main basejumper) every day was dreaming very strange night visions. In this vision his first lover Svetlana is coming to Andrey and everyday fragmentary is told, what will be going on with him or club of basejumpers in reality. It would seem, that the normal experience was driven into his subconscious. However, in his own life, Andrey is embroiled in really detective. From Russian bank, which is owned by well-known politician and businessman Sokolov the paintings, valued at 500,000 euros, are stealing. On the bank's cameras of security are basejumpers with logo of club. The investigations into the past of the family Sokolov, show the relations of the personal life of Andrey. Two employees of the investigation department (Orlov and Olga) are find out, that one of the sportsmen, 37-year-old Alena has strongly offended by Paul, Andrey and Anna in past. According for an absurd accident, her twin 17-year-old sister, Svetlana, had joined the company of bj, begun to jump and decided to destroy her relations with her own family. Sokolov also locked her in flat, but Svetlana was also jumping from the window of building and killed herself. Alena and her twin-brother Mike were lost family, deciding to run from father, who start for new life with new wife and child and living separately. Alena was dancing now in clubs, Mike was driving his car. But they promised to punish Svetlana's offenders. They are introduced into the club of basejumpers and began to retaliate. Each series: a new action of basejumper's club, which reveals their characters and their complicated relationships, as well as the reasons of the crime, which was happened 20 years ago.
