Three original films released, two in development, ten screenplays written

TVAR

STORY

A young philander, social net addict, enjoys a life full of sex and no moral obligations.

He plays well, until the mysterious creature (taking a form of Instagram hottie) appears ...

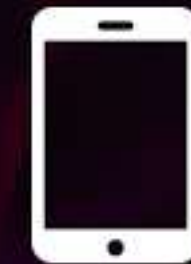

and makes him play for his sins

TVAR

FORMAT

The story revolves primarily around Instagram: accounts, photos, stories, direct messages, tags, geo locations, etc.

Action takes place within hero's cellphone

Feature film based on the original short film "Creature"

TVAR

BUDGET
