The action of this film is set on shooting area of feature film. The film is dedicated to fighting between Iroquois and white colonizers, latter hunters for “Iroquois’s gold”. Shooting is located on the South Ural Mountains, near the remote village. The local residents of village have similar look with Indians.

The plot of film is thickened during film shooting “The Iroquois’s Gold”. The main character Khabir arrives to filming location. He is forced to run from bill collectors in truck transported movie props. At same time actor Edmond, the second main character, conflicts with David Inozemtsev, the film director. The conflict frequently leads to Edmond’s leaving with scandal the filming location.

Khabir makes a friendship with local girl Altynai, then this friendship is developed into love. Later Khabir saves Edmond from the local residents' anger, got angry about his another trick.

The director mistakes Khabir to a new background actor from local residents. So Khabir is enrolled shooting process. Khabir fraternizes with Edmond and begins to live in a barn near Altynai's house.

Khabir and Edmonds get know about a local legend from Altynai. The legend is told about Atilla who buried a huge treasure, the whole Golden mountain, in area, where shooting takes place. According to the legend, «two brothers who are NOT brothers» should find this treasure. Khabir and Edmond go looking for the "Attila's Gold" individually.

David Inozemtsev hears about the legend from local resident too. This local resident is David's assistant and at same time an unknowing accomplice to his machination. David tries to steal shooting equipments to get insurance payments.

All main characters are involved to numerous and dangerous adventurous during the Gold Mountain searching. Every hero has own motive.

David Inozemtsev's machination is solved in unexpected way. That is why he takes extreme measures to hide his fraud from witnesses. The witnesses are main characters of film.

The fighting between characters of film becomes much greater stringency. The one of reasons is falling in love with the same girl, Altynai.

Khabir finds out another Altynai's secret...

All events are interwoven in absolutely incredible tangle of amazing mysteries and discoveries bordering with myths and fiction. The dramatic outcome is unavoidable... "Attila's Gold" would be found ... But everyone will have to pay a high price.

The story is based on real artifacts.
